EXPERIENCE

FELLOWSHIP BAPTIST COLLEGE
IT Department - Working Student

2017-2020

- I work on repairing devices in various college departments, both hardware and software. I also handle network connectivity issues in the school whenever problems arise.

ADMINISTRATIVE ASSISTANT
Magsaha Elementary School

2021

- My role is purely technical for the school, and I am responsible for planning the school's entire budget (MOOE), as well as handling other paperwork delegated to me by the principal

FELLOWSHIP BAPTIST COLLEGE
Educator - Highschool Department

2021-2023

- I teach various programming languages as well as graphic design, including Photoshop and Illustrator. Additionally, I manage departmental work, including ICT.

EXOCODER INC.
Software Engineer, IT Trainer, Graphic Designer, Video Editor

2023 - present

- I manage the company's social media platforms and teach students how to code. My work primarily focuses on developing web applications.
